

BRICK *by* BRICK

BUILDING A LEGACY. CHANGING LIVES.

For over 50 years, the Clemson Sertoma Club has transformed lives by sponsoring children to attend Camp Sertoma, supporting local organizations, and funding student scholarships. Now, we have launched an initiative to expand our impact: the **Brick by Brick** project. Each brick sold for **\$100** will help us continue our mission of improving lives, one child, one community, and one opportunity at a time. Please join us in laying the foundation for a brighter future.

The brick walkway will be located in the area overlooking the swimming pool and water slide at Camp Sertoma, Clemson Outdoor Laboratory.
